

Directions to Pohick Bay Park

- From Old Keene Mill Road or the Fairfax County Parkway, proceed southbound on Rolling Road (route 638).
- Continue on Rolling Road 2.5 miles past the Parkway. At a traffic light at that point, Rolling Road changes its name to Pohick Road; continue *straight* at that light. (Do *not* turn onto the portion of Pohick Road that enters the intersection from the right.)
- Pohick Road dead-ends into Richmond Highway (U.S. Route 1) at a traffic light; turn right onto Richmond Highway.¹
- Proceed 1.6 miles. Turn left at the traffic light (Shell station on corner) onto eastbound Gunston Road (route 242).
- Proceed about four or five miles and then turn left at the sign for Pohick Bay Regional Park (the main park, not the golf course). NOTE: this turn is *past* the turnoff where we camped last year.
- Just past the boat lot (on your left), turn left into the Overflow Camping Area. Then bear right at the fork. We are across the road from the bathhouse.
